One Year Limited Warranty

All of our work is installed according to the highest level of craftsmanship in the industry. The expectation that your project will perform as intended is covered by our guarantee in our hardscape installation. Hardscapes – patios, walkways, driveways,

walls and other projects react to their natural environment. You may experience movement, shifting or settling overtime due to excessive moisture, frost and freezing in our colder seasons. We install according to the manufacturers specifications, most times

even better. We will repair any workmanship related problems you report to us. Our commitment is to ensure your complete satisfaction.
